The providers (physicians, nurse practitioners), nursing, and administrative staff at our Practice, at the direction of the physicians, may share your health information for treatment, payment, and health care operations.

I understand that my health information may be used for treatment, payment or healthcare operations purposes, such as:

1. Sharing my health information among providers (both inside and outside the practice), on a need-to-know basis, to give me treatment;
2. Using my health information for billing purposes, including giving referrals to specialists, when necessary and appropriate;
3. Sharing my health information with health insurance companies, government agencies, or other payers that request information related to benefits determinations, claims filed for visits or admission, and other billing matters;

I understand that all reasonable efforts will be made to protect the privacy of my health information, whether maintained on paper or electronically, and regardless of how it is communicated (paper, e-mail, fax mail).

I have been given the opportunity to read the Notice of Privacy Practices that outlines in more detail how my health care information is used and shared with others. The Notice of Privacy Practices explains (1) when I need to give further approval for the providers to use my health information or share it outside the practice and (2) when my permission is ***not*** needed for the providers to use my health information or share it outside the practice (e.g. required by law, public health activities, etc.).

I understand that this Practice has reserved the right to change the Notice of Privacy Practices at any time. I may obtain a current copy of the Notice of Privacy Practices by contacting the Privacy Officer or from the Practice’s website.
